INFO
BROCHURE

Dear Handball Friends in Argentina and all over the world,

For the first time in history, beach handball enters the Olympic stage. Since the decision to include the discipline in the Buenos Aires 2018 Youth Olympic Games in 2015, a lot has changed and the beach handball world has made huge steps forwards, in particular in the area of youth development.

Just as it is a dream come true for every senior player to be part of the Olympic Games, the young athletes cannot be prouder to be able to represent their nation at the Youth Olympic Games and everyone is eagerly waiting for the Games to begin.

Buenos Aires has hosted many sporting events and I am convinced that they will organise an excellent event and create a warm and welcoming atmosphere for sports fans from all around the world.

24 teams from 17 nations have qualified for Buenos Aires 2018 through the 1st IHF Men's and Women's U17 Beach Handball World Championships in 2017 and, of course, the winners – Hungary in the women's competition and Spain in the men's tournament – are among the favourites. However, each and every team are highly motivated to claim the historic title. Thrilling matches are guaranteed and I look forward to an exciting tournament in the spirit of fair play.

I wish all participating teams a successful competition and a good time ahead. May the best team win!

Dr Hassan Moustafa

IHF President

FAIR PLAY

THE PHILOSOPHY OF BEACH HANDBALL

The Philosophy of Beach Handball is based on the principles of “Fair Play”. Every decision has to be taken in accordance with these principles.

Fair Play means:

- Respect the health, integrity and body of the players
- Respect the spirit and philosophy of the game
- Respect the flow of the game

According to the Philosophy of Beach Handball (attractiveness of the game – two teams playing as much as possible in full strength), any punishments shall be against the players as individuals and not against the team.

We hereby ask all participants of the Youth Olympic Games 2018 to respect the main principle of Beach Handball and to have in mind that every action and decision should be in accordance with these principles.

ATHLETE UNIFORM REGULATIONS

The IHF would like to draw the teams' special attention to the following regulations regarding the style and design of their athlete uniforms that will be used during the Youth Olympic Games in Buenos Aires/Argentina.

Equipment used or clothing worn by athletes and other participants at the Youth Olympic Games Beach Handball Competition must comply with the IHF Rules of the Game, IHF Uniform Regulation for Beach Handball and IOC Olympic Charter.

Each team whose uniforms do not comply with the Athlete Uniform Regulations shall be fined with the amount of 250 EUR for every match they use the inappropriate uniform. The fine must be paid prior to the next match of the team, or they will not be further accepted in the competition.

Uniform technical regulations:

The beach handball male player's uniform consists of tank top and shorts AND eventual accessories. The beach handball female player's uniform consists of tops and bikini bottoms AND eventual accessories. The Competition Management (CM) must check each participating team's athletes' uniforms during the Technical Meeting (TM) and during the event. All men's and women's athletic uniforms must correspond to the standards indicated hereunder. According to the Olympic Charter, religious, political and racial messages are strictly forbidden on athlete uniforms.

All four (4) team officials present at the court during their team's game must wear identical clothing, with the shirt in colours different than those of the players' and goalkeepers' of the opposing team as well as their own teams players.

I. Men's Tank Top/Women's Top Style

The style of the tank tops/tops must be in accordance with the IHF Uniform Regulation. The men's tank tops must be sleeveless and close fitting, respect the space for the required brandings. The women's tops (a midriff design) must be close fitting as well, with deep cutaway armholes on the back, always respecting the space for the required brandings. T-shirts that are worn under the team's official tank top are not allowed.

Color

Tank tops/tops will be of bright and light colors (i.e. red, blue, yellow, green, orange and white) in the attempt to reflect the colors usually used and worn on the beach.

Brandings

- Manufacturer's logo: The manufacturer's logo is printed on the front of the tank tops/tops and must not exceed 30cm² (according to the Team Officials' Guide for YOG 2018).
- One additional Product Technology Identification will be permitted per clothing item to a maximum size of 10cm² (according to the Team Officials' Guide for YOG 2018).
- All sponsor logo's on uniforms must be in-line with IOC rules/regulations and the Team Officials' Guide for YOG 2018.

Athlete's number

The athlete's number (of approx. 12cm x 10cm for the men's tank tops and 8cm x 6cm for the women's tops) must be placed on the front and back of the men's tank tops and the women's top. This information must be printed in a contrasting color to that of the tank top/top (i.e. light on a dark tank top/top, dark on a light tank top/top).

II. Men's Shorts/Women's Bikini Bottoms Style

Team members must wear identical shorts/bikini bottoms. Men athletes must wear shorts in-line with IHF Uniform Regulations. The players' shorts, if not too baggy, can be longer but must remain 10cm above the kneecap. Women athletes must wear bikini bottoms that are in accordance with the enclosed graph, with a close fit and cut on an upward angle toward the top of the leg. The side width must be of a maximum of 10cm.

The respective team officials must submit their own team's uniforms (tank tops/tops, shorts/bottoms or one-piece bathing suits) for approval during the pre-competition TM. T-shirts that are worn under the team's official tank top are not allowed.

III. Athlete Accessories

Athletes are authorized to use the following accessories: Cap or hat (with soft visor or hard visor turned to the back, same color/design for all players), head band or bandana, sunglasses (plastic with restraining bands) therapeutic support braces (or bandages) for elbow/ knee/foot athletic socks, other types of footwear are not permitted. Athletes are responsible for their own accessories. There is no limitation concerning position and size of sponsor logos on players' tops/tank tops/shorts/briefs and headgear. Players who do not meet the previous requirements will not be allowed to take part in the game until they have corrected the problem. A guideline about the usage of accessories will be distributed during the Technical Meeting.

COLD WEATHER UNIFORMS

During severe weather conditions players will be allowed to use uniforms composed of tight shirt, long tight pants (down to the ankle and not to the knees). These must be consistent in style and color following the same marketing rules as for the players' shorts and briefs, regardless of size and position. The CM (Competition Management) will be ultimately responsible to allow players to wear such a special uniform whenever it will be required, after having consulted with the official medical staff. The cold weather uniform shall be composed of a tight shirt with long or short sleeve and/or long tight pants. This uniform must be tight to the body and consistent in style, length and color for all athletes within the same team.

For cold weather tank tops/tops, sponsor logos are allowed on cold weather gear for both men and women. For cold weather pants, sponsor logos are allowed both for men (wearing their shorts on top) and women athletes (not wearing their briefs on top), according to the general ruling, as stated above. They must be tight against the body. Wearing thermo pants and shirts under the standard uniforms will not be allowed.

CLARIFICATION ON THE RULES OF THE GAME

The IHF Beach Handball Working Group reviewed certain situations that Technical Officials had identified when applying the “IHF Beach Handball Rules of the Game” (edition July 2014) and offers this advice to clarify certain rules. The following clarification is valid for the Youth Olympic Games:

1. Rule 8: Fouls and unsportsmanlike conduct

The words “last minute” are replaced by the words “last 20 seconds”.

2. Rule 9: Scoring and deciding the outcome of the game

In “Shootout” the players of the team that will execute the throw (team’s goalkeeper and court player/thrower) assume their positions on the court FIRST.

During the “Shootout” all the throws must be executed with the same ball for both teams.

3. Rule 9:10 and Rule 1:7c

During the “Shootout”, all the court players and the goalkeepers involved must remain in their substitution area. Players who have taken their throw go back to their substitution area.

4. Rule 4: Equipment

- a. No sand socks are allowed.
- b. In case that regular athletic (cloth-made) socks are worn, this must be short. If more than one players of the same team are wearing socks, they must be all the same color.
- c. No hard (plastic or metal) parts inside protective equipment (braces) are allowed.
- d. Compression socks or sleeves or thermo pants are not allowed.
- e. The only body parts allowed to be covered for medical reasons are: elbow, knee and ankle.

Reminder: A disqualification (except because of the second suspension - Rule 16:6h) must be explained by the referees in the score sheet to the relevant authorities and leads to a (minimum) one match suspension for the guilty player/team official.

The technical meeting will be held on 5th October at 17:00 in Duomo Technopolis.

All teams are requested to submit a valid e-mail address on the technical meeting, on which specific information will be distributed.

The teams are obliged to bring the passports of each player and the uniforms (regular+cold weather) to the technical meeting.
