Dear Handball Friends,

For sportspeople around the world the Olympic Games are the highlight of all major events. You need every effort, endurance, power and also patience to qualify for the primary objective in sports. London is calling this year – and handball will again be one of the most attractive and most watched team sports on the Olympic Programme. 24 teams in total – 12 men's and women's team each – will be contending for medals under the five Olympic Rings.

After a long and high-tension qualification phase on continental level and as part of the IHF World Championships half of the 24 teams to be precise have meanwhile been established. The next stage that is the final one before reaching London - the dream destination - will be a total of six Olympic Qualification Tournaments.

Six places for the Men's Olympic Handball Tournament will be at stake over the Easter Weekend.

In Gothenburg host Sweden, Hungary, FYR Macedonia and Brazil will be competing for tickets to London. Gothenburg is a well-known handball place, from both the sporting and organisational point of view. Everybody no matter if in Sweden or elsewhere remembers the great matches of the 2011 Men's World Championship staged at the Scandinavium. A fully packed arena, a great atmosphere and brilliant matches took place in Gothenburg, which hosted the preliminary round group including host Sweden.

In Alicante, we will not only watch top matches of host Spain, Poland, Serbia and Algeria but also will get a first impression of what is to come next January when Spain will host their first ever Men's World Championship in history.

Last but not least Varazdin will bring back lots of good memories from the 2009 Men's World Championship in Croatia. The host team as well as Iceland, Japan and Chile will compete for Olympic tickets in the Croatian city whose kind hospitality I still remember, as it had staged the matches of the preliminary round group three years ago.

The way to London leads those twelve participating teams – most of them with a long handball tradition and all with great achievements earned on continental or global level - to Gothenburg, Alicante and Varazdin. I trust the tournaments will be a great success for the sport of handball – and: May the best teams win to book a spot at the London Olympics!

Technical Section

Player eligibility

All players are subject to the Eligibility Code for handball players. For proof of citizenship players must show a passport, which will be checked by the Commission of Organising and Competition (COC) before the start of the Olympic Qualification Tournament. The minimum age for participation according to the IHF Regulations is 16.

Non-appearance

Non-appearance is subject to clause 2.1.6. of the Regulations for IHF Competitions.

Team registration

Up to 28 players and the remainder as officials (stating their function) shall be registered with the Head Office in Basle as follows:

provisionally: one month (6 March 2012) before the Olympic Qualification Tournament at the latest (28 players at most) to the organiser as well as the IHF Head Office

definitively: one hour before the Technical Meeting to the responsible IHF representative (16 players taken from the provisional list). Registration must be executed on the relevant IHF form.

During the OQT each team may replace up to two players (against two players indicated in the provisional list) at any time (e.g. each team may put in two new players or may put in a player who has already been replaced once). Players may be replaced against players indicated in the provisional delegation list ('list of 28') only.

If a team has registered less than 16 players, it may register one additional player during the OQT.

Procedure for late registration or substitution of one or several players

New players must be orally registered with the Competition Management or the respective IHF delegate in the respective venue no later than 9am on the respective matchday. A written registration and a proof of citizenship (passport, etc.) shall follow one hour before the match at the latest. The official IHF form must be used.

Registration on the IHF form for that very purpose must contain the following information in English:

- a) Officials
Officials (who must not be changed during the entire competition) surname, first name, date of birth, nationality, gender, function within the delegation and indication of the officials (by use of letters A, B, C, D, E, F)
- b) Players
Player's number, last name, first name, date of birth, club, height, weight, position (GK=Goalkeeper, LW=Left Wing, RW=Right Wing, LB=Left Back, RB=Right Back, CB=Centre Back, L=Line Player/Pivot), number of international games and number of goals scored (in the corresponding category).

c) Players' clothing

Colour of first, second and third set of clothing, separately for shirts and shorts; goalkeepers' first, second and third set of clothing.

Players who have not officially registered by the date stipulated shall not be allowed to play in the competition. Please be notified that it is not allowed to take the role as both a player and official simultaneously.

Players' clothing

Players' clothing worn at the 2012 IHF Men's Olympic Qualification Tournaments shall be subject to the IHF Regulations.

Players' uniforms

All the court players on a handball team must wear identical uniforms*. The combination of colours and design of one team must clearly distinguish from the colours and design of the opposing team.

**Players' uniforms include shirt, short (+ long-sleeve t-shirts worn under the official player's shirt and cycling pants, if in use, that must be the same colour as the shirt/short's colour) or goalkeeper pants, socks.*

Players must wear sports shoes.

It is not permitted to wear objects that could be dangerous to the players. This includes, for instance, head protection, face masks, bracelets, watches, rings, visible piercing, necklaces or chains, earrings, glasses without restraining bands or with solid frames, or any other objects which could be dangerous (Rulebook 17:3).

Flat rings, small earrings and visible piercing may be allowed, as long as they are taped over in such a way that they are no longer deemed dangerous to other players. Headbands are allowed, as long as they are made of soft, elastic material.

Players who do not meet the aforementioned rule will not be allowed to take part until they have corrected the problem.

Colours

Each team must possess **three (3)** differently coloured sets of players' uniform, including at least:

- a) one (1) set of light-coloured shirts and one set of light-coloured shorts
- b) one (1) set of dark-coloured shirts and one set of dark-coloured shorts
- c) **three (3)** differently coloured shirts for the goalkeeper.

One colour should very clearly cover the major part of the shirt.

All players of a team used on the goalkeeper position must wear the same colour that distinguishes them from the court players of both teams and the goalkeeper(s) of the opposing team.

All goalkeepers of one team must wear the same shirt colour. This applies also to a court player temporarily acting as a goalkeeper.

The colour of the players' numbers shall differ from the main colour.

In each match one team shall wear light-coloured shirts and the other team dark-coloured shirts.

The uniform sets (named 1st, 2nd and 3rd in order of preference) of the teams shall appear on the team list.

At the initial Technical Meeting of the IHF competition, each delegation is obliged to show the three differently coloured sets of uniforms (court players and goalkeeper).

The colours have to be decided at the initial Technical Meeting. The decision of colours in each match will be taken with participation of the team representatives and the IHF Technical Delegates. In case of disagreement regarding the colours the team named first has the right to choose the colour.

Players' numbers

Players must wear clearly legible numbers, the figures being placed at least 20cm high on the back and at least 10cm high on their chest. The numbers shall be in a different colour from the main colour. Numbers between 1 and 99 shall be used. The colour of the team officials' clothing must clearly differ from the main colour of both teams concerned.

'Temporary' goalkeepers must either have a goalkeeper shirt with the number that they normally have as a court player, or they must put on a sleeveless shirt bearing the colour of their teams' goalkeeper shirt, with holes giving a view of the number on the regular shirt. If they put on a sleeveless shirt, colour and type of that shirt must be identical to the goalkeeper shirt. No tolerance will be accepted.

During the entire IHF competition, each player must wear the same number, regardless of his position (goalkeeper or court player).

Players' names

The player's surname or popular name, that is identical to that indicated in the team list, must be displayed, in clearly legible 7cm high (minimum) capital letters, above the player's number on the back of the shirt. The names must be written in Roman letters. The teams are responsible for the application of the names.

Approval procedure

The players' uniforms shall be presented to the IHF in good time for examination. The teams participating in the Men's OQT must forward a sample or coloured photos of the uniforms they want to use in the competition to the IHF Head Office no later than 26 March 2012. The examination of the uniforms will be carried out by the Head Office. The Head Office shall approve the uniforms in writing prior to the tournament.

The nations are obliged to bring with them only such approved uniforms for the tournament concerned.

The nations are obliged to wear the uniforms approved for the match in question.

Before the start of the match the IHF Official shall make sure that the teams on the court wear the uniforms approved for the match in question.

Players' clothing during official presentation

During the official presentation prior to the matches all players of one team shall be uniformly dressed (all players wearing tracksuits or all players dressed in players' clothing or a combined solution are possible).

Identification of federation (emblem, national flag or name of the country) displayed on the shirt

Federations shall display the federation's emblem or the national flag at chest level on the front of the shirt. Federations are entitled to place the name of the country on the back of the shirt below the player's number in the event that the federations are not using their right of placing advertising in this area.

Team officials' clothing

The team officials in the substitution area must be uniformly dressed in sportswear or civilian clothing. Colours which may cause confusion with the court players of the opposing team are not allowed (see Substitution Area Regulations 3)

Competition Management

The Competition Management is responsible for the orderly management of the event, in close cooperation with the organiser. It gives advice and makes all the necessary decisions during the event, with the exception of disciplinary decisions. It is also responsible for the appointment of Officials, Technical Delegates and referees. The teams may contact the IHF hotel (see pages 7 - 9 for contact details) to reach the Competition Management or the COC representative on site.

Rules of the Game / Competition-related regulations

Matches shall be played according to the current Rules of the Game.

The following regulations will apply for the 2012 IHF Men's Olympic Qualification Tournaments.

16 players may be put in per match

16 players may be put in per match at the 2012 Men's OQT and related qualifying rounds.

Half-time break

The half-time break at the 2012 Men's OQT shall be 15 minutes.

Team-Time Out

According to Rule 2:10 and Clarification 3 of the Rules of the Game each team has the right to receive a maximum of three team time-outs during regular playing time but not during overtime. No more than two team time-outs may be granted in each half of the regular playing time. Between two team time-outs of a team, the opponent must be at least once in possession of the ball. 3 green cards, bearing numbers 1, 2, and 3 respectively, are available for each team. The teams receive cards bearing numbers '1' and '2' in the first half of the game and the cards no. 2 and no. 3 in the second half provided they received no more than one team time-out in the first half. In case they received two team time-outs in the first half, they receive only green card no. 3.

Within the last 5 minutes of the regular playing time only one team time-out per team is allowed.

The Technical Meeting with the team officials of the participating delegations, the organiser and the IHF representatives shall be held on 6 April 2012 at 9am to provide all necessary information and to settle organisational, technical and financial issues.

The teams have to bring all **players' passports** and a sample of their **players' uniform sets** to the Technical Meeting. - results in points between the teams concerned;
- goal differences in the matches between the teams concerned;
- greater number of plus goals in the matches between the teams concerned.

If the teams are still equal, a decision is made between those teams with an equal number of points as follows:

- goal difference is subtracted in all matches
- greater number of plus goals in all matches
