Dear Handball Friends,

Only two weeks after the extraordinary handball competitions at the 2012 London Olympic Games, the world of handball gathers for the next handball highlight looking forward to inspiring moments: For the fourth time after 2002, 2010 and 2011 Qatar will host the IHF Super Globe, the top tournament for club teams in the world of handball. Eight teams from all five continents will compete for the IHF Super Globe trophy, as was the case last year – all continents are represented with their top club teams. And the spectators in Qatar will see Olympic and World champions. The IHF is fully assured that the IHF Super Globe will be another major step for handball and will be another superb success, from both the sporting and the organisational point of view.

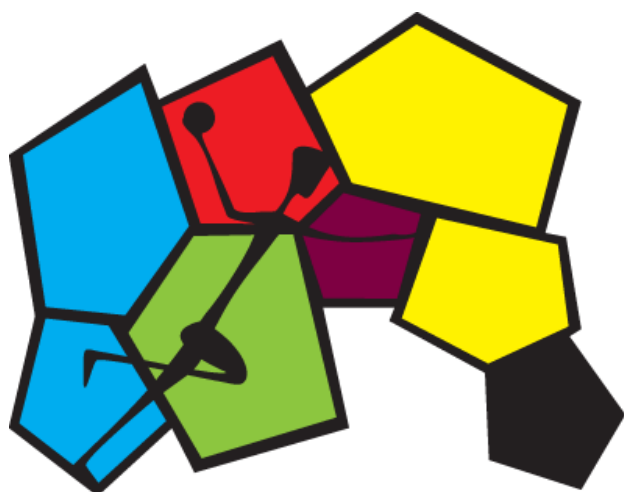

After the beginning of our Global Coaching Clinic in Qatar in 2011, the 2012 IHF Super Globe will coincide with the 2012 IHF Symposium for Top Coaches, including speakers like Alfred Gislason and Talant Dujsherbajew, the two coaches of last year's IHF Super Globe and 2012 EHF Champions League finalists THW Kiel and Atletico Madrid.

The IHF is convinced that Qatar will be a perfect host of this tournament again, as the Qatar Handball Association and the club of Al-Sadd proved repeatedly in the past that they fulfil highest international standard on their road to the 2015 IHF Men's World Championship, which will be staged in Qatar too. I am sure we will experience the great and hearty hospitality and the outstanding atmosphere in this handball-loving country again. Handball is rising and developing in Qatar – and the sixth edition of the IHF Super Globe will bring handball a decisive step forward in Qatar and the entire Gulf Region.

Match evaluation

Preliminary round

The matches shall be evaluated as follows:

- each match won = 2 points
- each match drawn = 1 point for each team
- each match lost = no points

The teams are ranked according to the total number of points gained.

If two or more teams have gained the same number of points after the group matches have been completed, classification is decided as follows:

- results in points between the teams concerned
- goal differences in the matches between the teams concerned
- greater number of plus goals in the matches between the teams concerned.

If the teams are still equal, a decision is made between those teams with equal number of points as follows:

- goal difference is subtracted in all matches
- greater number of plus goals in all matches.

If classification still is not possible, a draw shall decide. The IHF representative on site shall execute the draw, if possible in the presence of the 'responsible team officials'. If the 'responsible team official' cannot be present, other co-workers selected by the IHF shall take part.

Semi-finals and Finals

These matches shall be evaluated as follows:

In case of a draw at the end of the regular playing time, after a break of five (5) minutes there is a first overtime period of 2 x 5 minutes, changing sides half way through with a one-minute break in-between. Provisions to the contrary set for individual tournaments shall be given priority.

If the match should still not be decided after this overtime period, after a break of 5 minutes there shall be a second overtime period of 2 x 5 minutes, changing sides half way through with a one-minute break in-between.

Should the match still not be decided after the second overtime period, it is decided with 7m penalty throws in accordance with Rule 2:2 of the Rules of the Game.

Placement matches

In case of a draw at the end of the regular playing time of the placement round and placement matches the match will be decided with 7m penalty throws in accordance with Rule 2:2 of the Rules of the Game.

Cancellation or discontinuation of match

If the match is cancelled or discontinued, the Competition Management shall decide on further action.

Player replacement

Each team may replace a maximum of two players (against two players indicated in the provisional list) during the entire tournament (e.g. each team may put in two new players or may put in a player who has already been replaced once), i.e. the 'list of 16' may be changed twice at most. Players may be replaced against players indicated in the provisional delegation list ('list of 28') only.

If a team has registered less than 16 players, it may register one additional player during the IHF Super Globe.

Procedure for late registration or substitution of one or several players

New players must be orally registered with the Competition Management or the respective IHF delegate in the respective venue no later than 9 am on the respective matchday. A written registration and a proof of citizenship (passport, etc.) shall follow one hour before the match at the latest. The official IHF form (see Forms) must be used.
