

CROATIA ATTACK

Top match of group D: CRO - ESP to decide the group's first place (19/01/2013)

Spain plays with a 6-0 defence with an advanced defender on the left side of the defence: Spain tries to prevent the CRO RB from receiving the ball in goal direction.

Photo 1: After crossing between CB and LB, shooting or passing to the pivot are not possible. The Spanish defence prevents to pass the ball to the pivot CRO Vori.

Photo 2:

The central defenders are well positioned in front of the player CRO 20. The advanced defender dissuades to pass to the CB and RB.

Photo 3: CB 20 makes a jump pass to the RB 8 who runs towards the goal in the open outside space.

Photo 4: The RB receives the ball in the open space . He can choose to shoot or to pass to the RW.

Photo 5: The two defenders cannot prevent RB to shoot.

Photo 6: RB has the possibility to perform a jump shot. He has time to feint the goalkeeper.

Photo 7: The goalkeeper has come forward to close the shot angle. RB chooses a bounce shot.

Photo 8: The bounce shot is successful. The goalkeeper is beaten.
