

# 2018 IHF Super Globe QADC and IHF Education Sessions Report

## Introduction:

The Qatar Anti-Doping Commission (QADC) and the International Handball Federation (IHF) Medical and Anti-Doping Committee have conducted an educational session on anti-doping on Monday 18<sup>th</sup> October 2018 at Mövenpick Hotel and InterContinental Hotel for the 2018 IHF Super Globe participants the eleventh edition of the tournament which was held in Doha, Qatar at Duhail Handball Sports Hall from 16 to 19 October 2018.

The principal topics for discussion during the session were as follows

1. The new procedures during selection and notification.
2. Athlete Biological Passport (ABP)
3. Therapeutic Use Exemption (TUE)
4. Athlete Whereabouts Information

## Remarks:

- All participating teams attended the session except FRA-Montpellier.
- During The sessions there were a sort of variable comments and feedback mostly being related to the TUE and the Whereabouts.
- Followed by distribution of the giveaways and educational materials.
- Plenty of photos had been taken during session.
