Dear handball friends in Bosnia-Herzegovina and all over the world,

The IHF is entering new paths in a traditional handball country: For the first time ever since their independence Bosnia-Herzegovina is the organizer of a major handball event. The cities of Sarajevo, Ljubuški, Zenica and Banja Luka will be hosting the Men's Junior World Championship from 14 – 28 July. Especially Sarajevo, 1984 Olympic Winter Games hosting city, and Banja Luka are a major part of handball history: their teams and players were on top of the world – but still nowadays Bosnia-Herzegovina is a hub for handball in this region.

Now the Handball Federation of Bosnia and Herzegovina is seizing their opportunity to show their sportive and organizational skills in hosting this huge event as a part of a major handball campaign. The Federation has proved their will to present the world a perfect tournament already in the preoperational stage and by staging an impressive draw event in Sarajevo. This Men's Junior World Championship will additionally bring together all major ethnics in Bosnia-Herzegovina to showcase their abilities and their development.

Sarajevo, Ljubuški, Zenica and Banja Luka will see the 24 best men's junior teams from all over the world. It will be highly interesting to see how those players developed since the 2011 Youth World Championship in Argentina – and how their way to the senior teams will be.

So the importance of this tournament is not only shown in results and medals, but will give a huge hint for the next handball generation, which will imprint the men's tournaments in the upcoming years. World stars like Domagoj Duvnjak (Croatia), Uwe Gensheimer (Germany) or Niklas Landin (Denmark) had been the key players at Junior's World Championships before setting their marks in the senior's competitions. So we are all in great expectations to see what stars will rise in Bosnia-Herzegovina.

To organize a World Championship will bring our sports in the focus of fans, sponsors and media – and I hope this competition will be another great step for the development.

I wish all participating teams the very best of luck in the tournament and a good time ahead. Welcome to Bosnia-Herzegovina. May the best team win and fair play prevail.

Dr Hassan Moustafa  
IHF President

Through the town flows the river Miljacka, and in the immediate vicinity of the source of the river Bosnia the popular resort of Sarajevo called Wellhead of Bosnia can be found. The Olympic mountains surround the city: Jahorina, Bjelasnica, Igman, Treskavica and Trebevic, which are especially popular resorts during the winter months for the people of Sarajevo and tourists from all over the world. Sarajevo is a relatively small city compared with great world capitals, but its name through a rich spiritual, historical and natural look, is better known than the names of some of the world's major cities. It is the administrative centre of the Serb Republic, economic and cultural centre of this part of Bosnian frontier (Bosanska Krajina). ## Zenica City

**Zenica** is a town situated in the valley of the river Bosnia at an altitude of 316 metres, it is a city of moderate and pleasant proportions, not too big to choke the closeness between people, nor too small to reduce the possibility of choice. It is the commercial centre of Bosnia and Herzegovina and is situated 70 kilometres in the north of Sarajevo. The closest airport is Sarajevo, where you can come over the river Bosnia via Stup loop.

In the structure of the population of Zenica are registered members of different people, religions, cultures and customs associated with deep traditions of life in harmony. In Zenica the estimated population counts about 130,000 inhabitants.

The minimum age for participation according to the IHF Regulations is 16.

## Team Registration

Up to 28 players and the remainder as officials (stating their function) shall be registered with the Head Office in Basle as follows:

Players may be replaced against players indicated in the provisional delegation list ('list of 28') only.

If a team has registered less than 16 players, it may register one additional player during the World Championship.

### *Procedure for late registration or substitution of one or several players*

Flat rings, small earrings and visible piercing may be allowed, as long as they are taped over in such a way that they are no longer deemed dangerous to other players. Headbands are allowed, as long as they are made of soft, elastic material.

Players who do not meet the aforementioned rule will not be allowed to take part until they have corrected the problem.

One colour should very clearly cover the major part of the shirt.

All players of a team used on the goalkeeper position must wear the same colour that distinguishes them from the court players of both teams and the goalkeeper(s) of the opposing team.

All goalkeepers of one team must wear the same shirt colour. This also applies to a court player temporarily acting as a goalkeeper.

The colour of the players' numbers shall differ from the main colour.

In each match one team shall wear light-coloured shirts and the other team dark-coloured shirts.

The uniform sets (named 1<sup>st</sup> and 2<sup>nd</sup> in order of preference) of the teams shall appear on the team list.

At the initial Technical Meeting of the IHF competition, each delegation is obliged to show the two differently coloured sets of uniforms (court players and three as regards the goalkeeper).

The colours have to be decided at the initial Technical Meeting. The decision of colours in each match will be taken with participation of the team representatives and the IHF Technical Delegates. In case of disagreement regarding the colours the team named first has the right to choose the colour.

After completion of the preliminary round a second Technical Meeting will be held on 21 July 2013 during which the colours for the eighth-finals and the placement round shall be decided. The colours for matches as from 23 July 2013 shall be fixed by the Competition Management.

## Match Evaluation and Determination of Places

### ***Preliminary Round***

The preliminary round is played in groups. Matches shall be evaluated as follows:

- each match won = 2 points
- each match drawn = 1 point for each team
- each match lost = no points

Teams are ranked according to the total number of points gained.

If two or more teams have gained the same number of points after the group matches have been completed, classification is decided as follows:

- results in points between the teams concerned;
- goal differences in the matches between the teams concerned;
- greater number of plus goals in the matches between the teams concerned.

If the teams are still equal, a decision is made between those teams with an equal number of points as follows:

- goal difference is subtracted in all matches
- greater number of plus goals in all matches

If classification still is not possible, a draw shall decide. The IHF representative on site shall execute the draw, if possible in the presence of the 'responsible team officials'. If the 'responsible team official' cannot be present, other co-workers selected by the IHF shall take part.

After completion of the preliminary round, all matches shall be played in accordance with the knock-out system.

### ***Eighth-finals, quarter-finals, semi-finals and finals (places 1-2 and 3-4)***

In case the match is tied at the end of the regular playing time overtime is played, following a 5-minute break. The overtime period consists of 2 halves of 5 minutes, with a 1-minute half-time break.

If the game is again tied after a first overtime period, a second period is played after a 5-minute break. This overtime period also has 2 halves of 5 minutes, with a 1-minute half-time break.

If the game is still tied, the winner will be determined in accordance with a 7m throwing as tie-breaker to decide a winner (see Rule 2:2 of the Rules of the Game).

### ***Placement round and placement matches***

In case of a draw at the end of the regular playing time 7m penalty throwing shall be used to decide a winner in accordance with Rule 2:2 of the Rules of the Game.

## Cancellation or Discontinuation of Match

If the match is cancelled or discontinued, the Competition Management shall decide on further action.
