## Welcome

Dear handball friends in Hungary and all over the world,

The Hungarian Handball Federation will be the host of the V Men's Youth World Championship in August. It will be the first ever IHF Youth World Championship with 24 participating nations – a huge step in the global development of handball in the younger age categories. More players from all over the world can compete on international level, and more players and more countries will benefit from the newly installed playing system.

A new generation of international handball youngsters will go for Gold, Silver and Bronze – but it is more than only competing for medals, it is an initial point for the development of all players as this is their first intercontinental challenge on their way to Juniors and Seniors. Hungary will see the best of the world – in a country with a long and successful handball tradition. Many world class players like Laszlo Nagy in the men's team or the former female World Handball Players Anita Görbicz and Bojana Radulovics are role models for the younger generations. From both, club and national level, Hungary is an integral part of the handball family.

Now Hungary will take the chance to leave its footprints on international handball not only from the sportive, but also from the organizational point of view after they had already hosted previous tournaments like the 2004 Women's European Championship. The hosting cities Erd and Budaörs are well prepared and an entire country is looking forward to this event. It will be another milestone for the Hungarian Handball Federation to bring handball in the spotlight of their sports-fanatic and especially handball-fanatic people.

Handball is one of the key and core sports in Hungary – and the Youth World Championship will bring our sport forward in terms of promotion and general interest. I'm convinced that the host will succeed in organizing a sporting event which is not only perfectly arranged, but also impressive and fair.

## Competition venues

The competition will be played in the cities of Budaörs and Erd

**Budaörs:** nearest airport is Budapest – distance: 30 km;

**Erd:** nearest airport is Budapest – distance: 35 km

## Distance between the cities

Budaörs – Erd: 13.5km

## Budaörs

With a population of 30,000, Budaörs is located right next to Budapest, the capital city of Hungary. Budaörs welcomes visitors by offering a wide range of colourful cultural, folk and fun events. The town is situated on the verge of Buda Hills, therefore it is a paradise for hiking enthusiasts. Near Budaörs Basin, there are several dolomite-hills which have their own unique atmosphere. Before or after a concert or a pleasant excursion, visitors are welcome in all cafés and restaurants of the town which offer a large variety of traditional Hungarian meals and culinary specialities.

Among the attractions of Budaörs are the following: Church of St. John of Nepomuk, the Old Cemetery (called Ótemető) and the Csulits Chapel, the chapel on the hill called Kő-hegy, Chapel Starentanz and several other statues and monuments. It is recommended to visit the City Archaeological Exhibition where discoveries from the Roman Era can be seen. Csiki Gardens offer a great time for relaxation.

Budaörs is proud of its Women's table-tennis team called Budaörs 2i SC which became National Champion this year and reached the final in the ETTU Champions League. The Men's team has won the silver medal in the Extra Liga first time in their history. Budaörs is the home of multiple-champion futsal team, Colorspectrum Aramis. The team won the bronze medal in the latest national championship. The town's Women's handball team won Division II, while Men's football team won the Division III in the latest season of the National Championship.

## Érd

Érd is situated on the outskirts of Budapest and has a population of 65,000. The city centre of Budapest is about 20 kilometres from Érd, whose history dates back to the 1200s. It is one of the most popular towns among those who wish to live in a more peaceful but still lively way and settle down away from the noise of Budapest, the capital city.

Érd offers a whole lot of facilities such as sports, culture, festivals and gastronomy. The town can be reached easily from several directions by car as well as by public transport, coach lines or the suburban railway.

Among the main attractions are the following: Kakukk-hegy, a hill that became a nature reserve in 2007; the hilly side of the River Danube with its magnificent views; the beautiful landscape of Fundoklia Valley, a dwelling called Kutjavár built in the Gothic style in the 15<sup>th</sup> century; St. Michael's Church; the Minaret; the chimes that can be heard at the Main Square; the Memorial of King Louis In the ruins of Castle Szapáry; Berza Gardens and the Hungarian Geographical Museum.

Érd offers a varied and successful sporting life, football, wrestling, korfbal, volleyball, swimming, basketball, acrobatic gymnastics, baseball, judo and acrobatic rock 'n roll are represented there. However, there is no doubt that Érd is a city of handball. Senior Women's team of Érdi VSE participated in the EHF Cup in the past two seasons. In 2013, they finished third in the National Championship, first time in the club's history. Several players of the team play for their national team including the team captain, Klára Szekeres, Alja Koren (SLO) and Sara Vukcevic (MNE).

Players who have not officially registered by the date stipulated shall not be allowed to play in the competition. Please be notified that it is not allowed to take the role as both a player and official simultaneously.

### **Players' clothing**

Players' clothing worn at the 2013 Men's Youth World Championship shall be subject to the IHF Regulations.

### **Players' uniforms**

All the court players on a handball team must wear identical uniforms. The combination of colours and design of one team must clearly distinguish from the colours and design of the opposing team.

Players must wear sports shoes.

It is not permitted to wear objects that could be dangerous to the players. This includes, for instance, head protection, face masks, bracelets, watches, rings, visible piercing, necklaces or chains, earrings, glasses without restraining bands or with solid frames, or any other objects which could be dangerous (Rulebook 17:3).

Flat rings, small earrings and visible piercing may be allowed, as long as they are taped over in such a way that they are no longer deemed dangerous to other players. Headbands are allowed, as long as they are made of soft, elastic material.

Players who do not meet the aforementioned rule will not be allowed to take part until they have corrected the problem.

## Colours

Each team must possess two (2) differently coloured sets of players' uniform, including at least:

- a) one (1) set of light-coloured shirts and one set of light-coloured shorts
- b) one (1) set of dark-coloured shirts and one set of dark-coloured shorts
- c) three (3) differently coloured shirts for the goalkeeper.

One colour should very clearly cover the major part of the shirt.

All players of a team used on the goalkeeper position must wear the same colour that distinguishes them from the court players of both teams and the goalkeeper(s) of the opposing team.

All goalkeepers of one team must wear the same shirt colour. This also applies to a court player temporarily acting as a goalkeeper.

The colour of the players' numbers shall differ from the main colour.

In each match one team shall wear light-coloured shirts and the other team dark-coloured shirts.

The uniform sets (named 1<sup>st</sup> and 2<sup>nd</sup> in order of preference) of the teams shall appear on the team list.

At the initial Technical Meeting of the IHF competition, each delegation is obliged to show the two differently coloured sets of uniforms (court players and three as regards the goalkeeper).

The colours have to be decided at the initial Technical Meeting. The decision of colours in each match will be taken with participation of the team representatives and the IHF Technical Delegates. In case of disagreement regarding the colours the team named first has the right to choose the colour.

After completion of the preliminary round a second Technical Meeting might be held in which the colours for the eighth-finals and the placement round shall be decided. If no Technical Meeting is held, the colours for all remaining matches will be fixed by the Competition Management.

## Players' numbers

Players must wear clearly legible numbers, the figures being placed at least 20cm high on the back and at least 10cm high on their chest. The numbers shall be in a different colour from the main colour. Numbers between 1 and 99 shall be used.

'Temporary' goalkeepers must either have a goalkeeper shirt with the number that they normally have as a court player, or they must put on a sleeveless shirt bearing the colour of their teams' goalkeeper shirt, with holes giving a view of the number on the regular shirt. If they put on a sleeveless shirt, colour and type of that shirt must be identical to the goalkeeper shirt. No tolerance will be accepted.

During the entire IHF competition, each player must wear the same number, regardless of his position (goalkeeper or court player).

### Players' names

The player's surname or popular name, that is identical to that indicated in the team list, must be displayed, in clearly legible 7cm high (minimum) capital letters, above the player's number on the back of the shirt. The names must be written in Roman letters. The teams are responsible for the application of the names.

### Approval procedure

As already announced, the players' uniforms shall be presented to the IHF in good time for examination. The teams participating in the Men's Youth World Championship must forward a sample or coloured photos of the uniforms they want to use in the competition to the IHF Head Office no later than **26 July 2013**. The examination of uniforms will be carried out by the Head Office. The Head Office shall approve the uniforms in writing prior to the tournament.

The nations are obliged to bring with them only such approved uniforms for the tournament concerned.

The teams are obliged to wear the uniforms approved for the match in question.

Before the start of the match the IHF Official shall make sure that the teams on the court wear the uniforms approved for the match in question.

### Match evaluation and determination of places

#### **Preliminary Round**

The preliminary round is played in groups. Matches shall be evaluated as follows:

- each match won = 2 points
- each match drawn = 1 point for each team
- each match lost = no points

Teams are ranked according to the total number of points gained.

If two or more teams have gained the same number of points after the group matches have been completed, classification is decided as follows:

- results in points between the teams concerned;
- goal differences in the matches between the teams concerned;
- greater number of plus goals in the matches between the teams concerned.

If the teams are still equal, a decision is made between those teams with an equal number of points as follows:

- goal difference is subtracted in all matches
- greater number of plus goals in all matches

If classification still is not possible, a draw shall decide. The IHF representative on site shall execute the draw, if possible in the presence of the 'responsible team officials'. If the 'responsible team official' cannot be present, other co-workers selected by the IHF shall take part.

#### **Placement Round, Placement Matches, Eighth-Finals, Quarter-Finals, Semi-Finals and Finals**

After completion of the preliminary round, all matches shall be played in accordance with the knock-out system.

In case of a draw at the end of the regular playing time, after a break of five (5) minutes, a first overtime period of 2 x 5 minutes shall be played, changing sides halfway through with a one-minute break in-between. Provisions to the contrary set for individual tournaments shall be given priority.

If the match should still not be decided after this overtime period, after a break of 5 minutes, a second overtime period of 2 x 5 minutes shall be played, changing ends halfway through with a one minute break in-between.

Should the match still not be decided after the second overtime period, it is decided with 7m penalty throws in accordance with Rule 2:2 of the Rules of the Game.

In case of a draw at the end of the regular playing time of all matches except for the eighth-finals, quarter-finals, semi-finals and finals (ranks 1-2 and 3-4) 7m penalty throws shall be executed to decide the match in accordance with Rule 2:2 of the Rules of the Game.

### **Cancellation or discontinuation of match**

If the match is cancelled or discontinued, the Competition Management shall decide on further action.

### **Official balls**

Balls of IHF partner Select will be used at the Men's Youth World Championship. Every participating team will receive 10 balls in advance to get familiar with the balls.
