COMPETITION FORMAT AND RULES HANDBALL

As of 23 JUN 2014

Youth Olympic Competition Format

The Youth Olympic Games Handball competition consists of Men's and Women's events. Both events have the same format and rules. In the preliminary round six teams are divided into two groups of three teams. Each team plays every other team in the group (single round robin). To determine the final standings after the end of the preliminary round teams will play the finals and placement matches. The two teams ranked first and second in each group play in the semifinals, while the teams ranked third in each group play for 5th/6th place (two legs). The semifinal winners play in the gold medal match and the losers play in the bronze medal match.

Differences between the IHF Youth World Championships and the Youth Olympic Games

The number of participating teams in the IHF Youth World Championships is 24. The tournament consists of the preliminary round and the quarterfinals, semifinals, placement and finals matches.

Changes since the Singapore 2010 Youth Olympic Games

A rest day (after the preliminary round) has been added to the competition schedule. Rule changes: 15 minutes half-time break and three time-outs for each team.

Sport Rules and Procedures

Age categories

Only athletes aged from 15 to 18 on 31 December in the year of the competition (that is, for the 2014 Games born between 1 January 1995 and 31 December 1998) may compete.

Classification and Tie Break Rules

Preliminary round:

The preliminary round is played in groups. The matches will be evaluated as follows:

- Each match won = two points
- Each match drawn = one point for each team
- Each match lost = no points

Teams are ranked according to the total number of points gained.

During the preliminary round, the teams will be ranked according to the following criteria:

- Total number of points gained
- Goal difference in all matches
- Greater number of goals scored in all matches

If still tied, all tied teams will share the same rank.

If two or more teams have gained the same number of points after the group matches have been completed, classification is decided as follows:

- Results in points between the teams concerned
- Goal differences in the matches between the teams concerned
- Greater number of goals scored in the matches between the teams concerned.

If the teams are still equal, a decision is made between those teams with equal number of points as follows:

- Goal difference in all matches
- Greater number of goals scored in all matches

If the teams are still tied, a draw will decide. The IHF representative on site will execute the draw, if possible in the presence of the "responsible team officials".

Two placement matches 5-6:

The matches will be evaluated as follows:

- Each match won = two points
- Each match drawn = one point for each team
- Each match lost = no points

If, after completion of the two matches, both teams had gained the same number of points and goals, the ranking of the two teams will be decided with a 7 metre shoot-out competition (five players from each team take alternate shots. If the result is still tied the competition will continue with one player from each team taking alternate shots until one team wins).

Semifinal, bronze medal and gold medal matches:

After completion of the preliminary round, the semifinal, bronze medal and gold medal matches will be played in a knock-out system.

In case of a draw at the end of the regular playing time, after a break of five minutes there will be extra time (two periods of five minutes (2 x 5 minutes), changing sides halfway through with a one minute break).

Should the match still not be decided after this extra time period, after a break of five minutes there will be a second extra time (two periods of five minutes (2 x 5 minutes), changing sides halfway through with a one minute break).

Should the match still not be decided after the second extra time period, it will be decided with a 7 metre shoot-out competition (five players from each team take alternate shots. If the result is still tied the competition will continue with one player from each team taking alternate shots until one team wins).

Match Description

- Each team consists of 14 players. The team must use a goalkeeper at all times. No more than seven players (six court players and one goalkeeper) may be present on the court at any time. The remaining players are substitutes.
- Substitutes may repeatedly enter the match at any time without notifying officials as long as the players they are replacing have already left the court
- The court dimensions must be 40 metres in length by 20 metres in width
- The court players must not enter the goal area (6 metres in front of the goal)
- The goalkeeper is entitled to act as a court player
- The playing time is two halves of 30 minutes with a 15 minute break in-between
- Two referees lead the match
- Teams attempt to gain the highest number of goals to win the match
- Teams may ask for up to three time-outs during a match

The Attacker in possession of the ball:

- Is entitled to bounce the ball as often as he likes. If he catches the ball he is allowed to take a maximum of three steps with it. Then he must pass or shoot.
- Has to jump at the goal area line (6 metre line), is allowed to fly above the goal area but must not enter it with the ball in his hands.

The Defender:

- Is allowed to make body contact in a man-on-man situation
- Must not hit
- Must not hold or restrain
- Must not strike or pull back the opponent's throwing arm
- Must not spoil a clear chance of scoring by illegal means. This always leads to a 7 metre penalty throw.

Punishments / Disqualification Rules

The players and team officials are punished during a match according to the rules of the game and IHF regulations. A player, a team official or a team may be disqualified from the tournament due to a breach of sport ethics, rules or by violating anti-doping regulations.

Appeals

The teams can submit appeals on decisions of the disciplinary commission to the jury of appeal.
